# MAKE A DIFFERENCE!

In the lives of LGHS students.  
Donate \$500 to LGHS NMF today!

LGHS New Millennium Foundation (NMF) is a non-profit organization created and managed by a volunteer community of LGHS parents, alumni, teachers and administrators. Our mission is to make a difference by raising funds to enhance the education and experience of each and every Los Gatos High School student.

In the absence of federal and state and funding, LGHS NMF's support is vital in making up the difference between LGHS educational needs and budget shortfalls.

Since it was founded in 2001, LGHS NMF has raised over \$3.1 million dollars through private donations and fundraising events. LGHS NMF relies heavily on the financial involvement and continued support from LGHS families and the Los Gatos Community. All funds raised solely benefit LGHS. Donations are tax deductible. Federal Tax ID# 68-0486391
