## Local Bond Measure - Measure E

We are fortunate to live in an community with a nationally-recognized high school that prepares our students for college and 21st-century careers. This June, local voters will have the opportunity to vote on Measure E, which will provide funding to repair and update Los Gatos High School.

Measure E will provide important funding to the Los Gatos-Saratoga Joint Union High School district to make essential repairs to classrooms, labs and other school facilities to keep schools safe, clean and well-maintained. In addition, Measure E will provide additional classrooms to help avoid overcrowding as more families move to our community. No other source of funding exists to make the necessary renovations and upgrades at our local schools. All Measure E funds will directly benefit Los Gatos and Saratoga high schools -the state cannot take a single penny. Citizen oversight and annual audits are required.

Measure E has received the full support and endorsement of LGHS NMF. For more information about Measure E, please visit: [www.VoteYesExcellentSchools.org](http://www.VoteYesExcellentSchools.org)
